

ORCHESTRA ANNUAL FUND

Since revenue earned from presentation guarantees covers only about half of what it costs to present concerts and educational programs, develop promotional material plus administrative costs, we rely on The Annual Fund to make up the difference. The Annual Fund is under the direction of the Board of Directors Development Committee.

The Annual Fund consists of contributions from businesses, foundations, individuals, volunteer organizations and government agencies. The fund exists to sustain the orchestra's standard of musical excellence, diversity, and service and supports our mission statement: "To be the premier provider of live popular orchestra music programming for the State of Georgia."

The Board of Directors acknowledges its gratitude to the individuals, foundations, corporations, institutions, and government agencies who sustain the orchestra through donations to the Annual Fund.
